Dear Tony, John and the Hitech Team

We want to let you know how delighted we are with our new Mercruiser Engine, The Performance is absolutely fantastic, Its like owning a new Boat. Best of all is the fuel consumption, from 80 litres p/h to 30 at the same speed, over 28 knots She handles like a dream in the river or the ocean

*Thankyou Hitech Team for your professionalism during the transition from the old to the new motor
