

RIVIERA  
LUXURY MOTOR YACHTS

BELIZE

A DREAM MADE REAL

EDITION 18.1

## THE REASSURANCE OF OWNING A RIVIERA

What sets Riviera and Belize apart as one of the world's great luxury motor yacht builders?

Is it the devotion to quality, standard of materials used, the ocean-tested structural strength, unsurpassed ease of operation, or the stylish, handcrafted luxury finish? Or perhaps it's the famous culture of care that transforms owners into the 'Riviera family'!

The answer is all of the above, and more. Much, much more. Over 38 years and the building of over 5200 luxury motor yachts, the 585-strong Riviera and Belize team have been on a continuous quest of evolution and refinement.

This remarkable heritage of knowledge matched by innovation allows us to marry the best of the time proven with the exciting and new. Witness our introduction of cutting edge

touch screen digital technology and joystick maneuverability, which make navigating and operating a Riviera and Belize luxury motor yacht a relaxed and enjoyable experience.

Located on the Gold Coast, Queensland we build on the notable Australian qualities of strength, practicality and love of water in the continent completely surrounded by three oceans and four seas. Then we test our designs in some of the toughest offshore conditions on earth. Hardly surprising that Riviera luxury motor yachts command impressive resale values worldwide.

Today, you can choose from five individual designs that make up our fabulous collection of luxury motor yachts, the Riviera Flybridge, SUV, Sport Yacht or Sports Motor Yacht

models, along with our more traditional Belize Collection. All will withstand virtually anything the elements and you can put them through, with poise and ease.

Naturally, we back this confidence with an industry-leading 5-year limited structural warranty. In addition, with all our Volvo Penta powered yachts, we offer a 5-year limited warranty covering helm station controls and multi-function displays, steering and propellers, plus pod drives and engines.

In our experience life is too short for needless compromise. So when it comes time to invest in your next yacht, why settle for a lesser option when you can enjoy all that makes up a Riviera or Belize.

Our 14-hectare, state-of-the-art manufacturing facility on the Gold Coast of Queensland, Australia. This is the largest facility of its kind in the Southern Hemisphere.

Each year, this world-class facility plays host to the educational and fun-filled Riviera Festival of Boating.

## CRAFTED WITH PRIDE, WITH YOU IN MIND

---

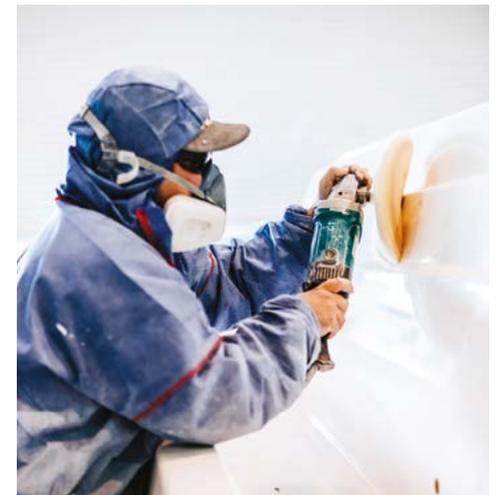

Owner Care at Riviera and Belize is in a class of its own. Premium quality, professional and personal, it is all designed to be of the highest quality, in keeping with the world-class luxury motor yacht we are building specifically for you.

Like thousands of other happy owners, we are confident your every experience of dealing with us and our global dealer team - from selecting your favoured options, electronics and decor, through to routine maintenance and repairs - will be conducted with the upmost respect and care.

Our highly skilled team consult and partner with internationally acclaimed naval architects, designers and engineers to ensure we fully embrace the latest, most exciting industry standards and trends.

Constant communication with the worldwide family of Riviera owners also plays a vital part in helping guide and inform our new model development program.

All this pride in performance ensures Riviera will continue to exceed the evolving needs of discerning luxury motor yacht enthusiasts like you.

The growing Riviera global network of dealers now spans the globe. Find your nearest dealer at [RivieraAustralia.com](http://RivieraAustralia.com)

## A MARQUE OF EXCELLENCE

For nearly four decades the Riviera and Belize team have been preoccupied with the relentless pursuit of excellence. That means never being satisfied with the status quo, rather forever looking to improve and refine our knowledge base by embracing the latest technologies and work practices.

All these endeavours are directed towards creating a superior luxury motor yacht experience for you. They have also garnered us enormous acclaim from the global boating industry along the way.

Over the years Riviera have accumulated a vast collection of local, national and international awards recognising 'world's best practice' across the fields of education and training, employment, innovative manufacturing techniques, export, quality of workmanship and pioneering design.

More than testimony to our passion for handcrafting superior luxury motor yachts, they are your assurance of 'The Ultimate Boating Experience' when you decide to own a Riviera.

## RIVIERA SPORT YACHT COLLECTION - NO FINER WAY TO PLAY

There is another world that exists just out of sight from the one we inhabit daily. It is a world of wonder and luxury, friends and family, renewal, memories and joy.

Here the skies have no limit and possibility knows no bounds.

You can find this blessed place over the skyline but before you set out, be warned: entry is for the select few.

We call this shangri-la of the senses the 'World of Riviera', and any one of the gleaming new luxury motor yachts from the Riviera Sport Collection, the 6000, 5400, new 4800, or the 3600, can spirit you there, anytime you desire. When the urge strikes, you will be travelling in enviable style.

Classic distinctive lines, big wide welcoming spaces, painstaking quality and attention to detail, breathtaking modern technology, outstanding performance, structural excellence and true blue-water ability; your every need as skipper, passenger or richly entertained guest, somehow anticipated in advance.

You truly are in a class of your own. Little wonder the next adventure calls.

Welcome to the World of Riviera.

## RIVIERA 5400 SPORT YACHT – A DREAM MADE REAL

Superior design is easy to recognise on sight. The Sydney Opera House glinting in the sun. A European luxury car purring along cobblestone streets. The Riviera 5400 Sport Yacht up and running: effortless, perfect, a creature in her element.

Equal parts symmetry, luxury, thrilling aerodynamics and rugged practicality, the Riviera 5400 Sport Yacht is the creation of a design team harnessing all of their powers. A splendid vision given form and function; she is beauty at rest and poetry in motion.

Yet for all this sleekness and style, she is both welcoming and spacious. In fact, she features an uninterrupted eyeline from the forward deck, all the way aft to the soaring saloon space and out onto the generous, broad cockpit.

Picture a space, handcrafted and luxurious, on a grand, flowing scale. And then, in your mind's eye, fill it with the family and friends you treasure. Hosting, entertaining and unwinding, together you are savouring truly unique delights, sun kissed and memorable, from the World of Riviera.

You'll have spirited D11 engines powering twin-pod drives at your fingertips to transport you there. Intuitive Riviera technology to smooth the way, wherever in the world that may be. And magnificent Riviera attention to detail at every turn, including below decks, to make every part of life onboard gracious and easy.

Allow yourself to dream...

## COME ABOARD, READY TO PLAY

Beauty and brains, form and function. Touchstones of the 5400 Sport Yacht's inspired design, they are on display from the moment you first come aboard.

The wide hydraulic boarding platform is invitingly teak-laid with a classic recessed swim ladder and cover hatch. Visually striking, it has another purpose. A touch button tender garage lies forward, designed to house the optional 3.3 metre Brig tender with permanently mounted, 20 hp four-stroke outboard. Naturally, there is an electric winch for easy tender launch or retrieval.

Given the adventurous spirit of most 5400 owners, it is a great shore access option you may wish to avail yourself of. Visit magical, isolated beaches, superior onshore restaurants or friends' yachts.

Right now though, the gleaming stainless steel transom gates are calling you on, onto the generous entertainer's cockpit.

## LIVING THE DREAM, ALFRESCO

Flowing alfresco style linking cockpit to saloon and all the people onboard. Riviera perfected it. There is simply no more joyous way to cruise and the Riviera 5400 Sport Yacht cockpit exemplifies and celebrates it.

Out here you will create a million unforgettable times. The aesthetics surrounding you almost guarantee it. Yes, that is timeless teak, self-draining decking. Yes, that sporty cockpit hardtop overhead promises welcome shade and rain protection even in balmy tropical waters. It houses a wondrous surprise - an electric sliding sunroof that can fill the cockpit with invigorating fresh air and more sunshine - you control the seasons.

Yes, this is the life. So please, take your place in the large comfy, forward-facing transom lounge and consider all before you. You can see it now. Brunches out here with the extended family, the wonders of the Reef all around. Turning up the volume on the two weather-proof cockpit speakers and hosting a sundown cocktail party in the Bahamas ...

Can't you just see endless days where your best friends laugh and luxuriate in the large L-shaped lounge forward to starboard?

And there you are, about to fill their handsome, hi/lo teak table with tasty delights from your dual electric BBQ and wet bar located to port. With icemaker and refrigerator to hand, might we suggest a cooling drink to accompany the entrees?

## FEATURES, INCLUSIONS AND OPTIONS

### Cockpit Overview

- Wide hydraulic boarding platform teak laid with recessed stainless steel swim ladder and hatch
- Tender garage – the door of which opens at the touch of a button – to fit optional 3.3-metre (10.8ft) Brig tender with permanently mounted 20hp, four stroke outboard
- Electric winch for easy launch or retrieval of tender
- Direct access to the tender garage is via a hatch in the cockpit floor that opens with an electric actuator
- Stainless steel transom gates provide entry to a generous cockpit that is teak laid and self draining to the stern
- The fibreglass hardtop extends well aft to provide shelter and shade from the extremities
- Electric sliding sunroof built into the cockpit hardtop brings extra sunlight and fresh air into the alfresco area when desired
- Large, forward facing upholstered transom lounge with drink holders and storage for fenders within its armrests sits conveniently aft. Includes stamoid protection cover for the lounge
- Fenders (2x), dock lines (4x) and boat hook
- L-shaped upholstered lounge with storage beneath and white stamoid protection lounge cover
- Teak table mounted on hi/lo pedestal for conversion into a day bed, includes a white stamoid protection cover
- Wet bar with bench top, refrigerator, icemaker, sink with folding hot/cold tapware and dual electric BBQ with auto safety shutoff
- Rubbish bin within the wet bar
- Entertainment via two weather proof speakers controlled by second zone selection from saloon
- Sliding glass door set in a strong stainless steel frame
- Awning style window, tinted tempered glass with gas strut, safety latch and lock
- Overhead and courtesy LED lighting
- Access to engine room through three hatches with stainless steel lockdowns
- Double action manual bilge pump for engine room
- Main battery isolator panel
- Hand held shower hot and cold (fresh water)
- Wash down tap (freshwater)
- Wash down tap (seawater)

*Please refer to your Riviera dealer for current inclusions and options.*

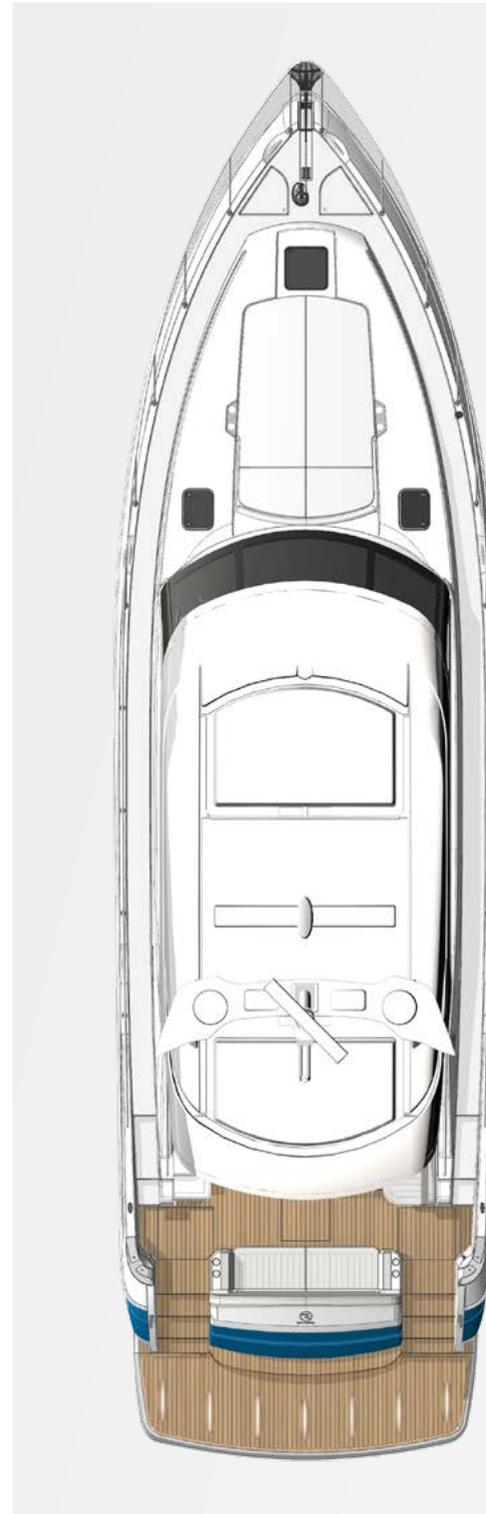

## OVER AND ABOVE EVERYTHING

Exhilarating blue-water adventures, turquoise green seas, silvery reflections ... we want you to make them all your own. And do it all in complete safety. That's why making your way to the expansive forward deck (a real onboard dream spot) is such a breeze.

This is a well considered, complete safety package. Wide walkaround side decks with raised bulwarks, plus high stainless steel side rails and hand rails thoughtfully positioned on the hardtop make for safe and confident passage, even for children and pets.

The wide and handsome forward deck is the perfect place to greet the dawn or farewell a blood red sun over refreshing sundowners. Be the first to spot a new anchorage or a pod of frolicking dolphins. Or simply get away from it all and laze back on your double-sized sun pad with adjustable backrests and fold-up bimini for shade.

Of course if you want to pump up the volume, you can. Two weather-proof speakers located under the windscreen brow mean the forward deck also doubles as an entertainment hot spot.

## FEATURES, INCLUSIONS AND OPTIONS

### Deck Overview

- Bow rail in highly polished, 316 marine-grade stainless steel with mid safety wire including flag staff and burgee
- Front windscreen cover in black breezeway
- Stainless steel Ultra anchor with galvanised chain
- Vertical anchor winch with overload protection to suit rope and chain, operated via plug in up/down remote control and mounted chain counter at the helm
- Anchor safety strap
- Anchor lockers provide access to the anchor chain, rope storage as well as fresh and saltwater outlets
- Heavy duty bow roller in stainless steel, self loading through the bow sprit
- Cleats are 11" stainless steel (8x) in addition to pop up fender cleats (2x)
- Gunwhale rail is impact and UV resistant white PVC with stainless steel insert strip
- Spotlight on hardtop is controlled via a remote control at the helm
- Targa (GRP), includes light mast and aerials for radios and electronics (as fitted)

*Please refer to your Riviera dealer for current inclusions and options.*

## **FEATURES, INCLUSIONS AND OPTIONS**

### **Galley Overview**

- Built in, varnished overhead galley cabinetry with positive locking hardware
- Drawers with Blum stainless steel, soft close runners
- Exhaust fan
- Solid surface bench top with stainless steel sink and premium tapware
- Premium electric dual element cooktop
- Premium combination microwave/convection oven
- Removable rubbish bin with cover
- Optional drawer style dishwasher in lieu of pot drawer
- Optional breakfast bar stools can be located forward of the galley bench space

## **THE IDEALLY LOCATED DREAM GALLEY**

Above all, superior design builds in options. Witness the aft located galley of your Riviera 5400 Sport Yacht. Simply close the ship like tinted glass door in its strong stainless steel frame that links you to the cockpit. Now close the large awning window facing aft, and instantly, you are at one with your guests in the saloon; comfortable and happy in opulent surrounds.

Alternatively, open the bulkhead door and awning window and there you are, in the heart of all that connected saloon and alfresco cockpit activity, feeding the conversation and hungry guests. Very clever. Very Riviera.

Either way, you'll feel completely at home in your gourmet galley. U-shaped and amply proportioned, you are off to the side of all fore and aft traffic.

Here, in your centre of foodie creativity, the striking timber cabinetry, designer appliances and generous bench tops, all conspire to create any dish ... warmly received by all onboard.

*Please refer to your Riviera dealer for current inclusions and options.*

## **FEATURES, INCLUSIONS AND OPTIONS**

### **Saloon Overview**

- Reverse cycle air conditioning to both the saloon and galley
- Natural breezes can be easily captured through the hardtop's electric sliding glass sunroof with sliding screen and blind
- Sliding tinted and toughened glass side windows to port and starboard for additional light and fresh air
- The entertainment system in the main living area includes a large premium LED television on an electric swing arm with Blue ray player and surround sound audio system with 5 speakers
- Cocktail cabinet with bottle storage, drawers for glass storage, dual refrigeration featuring low maintenance, stainless steel drawers and wine cooler to port
- Overhead and courtesy LED lighting
- Large L-shaped leather lounge to port with varnished timber dinette, with the option of an electric lift hi/lo table that can be converted to a day bed
- Courtesy lights in stairs to accommodation atrium
- Optional washer/dryer premium combination machine located in the accommodation atrium

## **YOUR WARM AND GENEROUS HEART**

Light dances off highly polished timber. Luxurious, handcrafted touches soothe and invite. Panoramic surround glass capture ever changing views. A thousand desirable destinations slide by outside this very special sanctuary and vantage point.

Being a Riviera, your onboard guests and you are about to be treated to the next level of luxury and painstaking craftsmanship.

Welcome to the focal point and design heart of your dream vessel ... please, take your place in the saloon of your astonishing new Riviera 5400 Sport Yacht.

## **LIVING-IN AND LOVING THE SALOON**

This is where everything - all our best design principles - and everybody on board, come together in close harmony. Incredible light, space and an air of genuine luxury characterise life in this saloon.

No wonder you love it. Your guests love it. And it shows in all the good times you will have here.

Summer or winter, reverse cycle air conditioning creates the right atmosphere. Of course, you may wish to slide open the tinted and tempered glass side windows to invite fresh air to the gathering. Or push a button to activate the electric sunroof (especially desirable on star filled nights, somewhere away from the everyday).

You'll find the fully appointed cocktail cabinet to port, adjacent to your dual fridges with stainless steel drawers and built-in wine cooler. The luxuriously large, L-shaped leather lounge is also to port, set around the beautifully finished timber dining table. In addition, you may wish to specify the electric lift, hi/lo table which can cleverly reform as a day bed, or additional guest accommodation.

This saloon area is the perfect spot to enjoy another Riviera electronic revelation: your large LED television on its electric swing arm, complete with Blu ray and 5 speaker surround sound.

*Please refer to your Riviera dealer for current inclusions and options.*

## FEATURES, INCLUSIONS AND OPTIONS

### Helm Overview

- Recaro electric adjusting leather helm chair (colour to complement dash)
- Ergonomically designed console with sunken, backlit dash, electronic engine controls and joystick docking control
- Sports steering wheel with leather treatment
- Ample storage compartments for binoculars, phone, iPad and instrument covers, as well as drink-holders
- Two multi function display screens, with optional larger screens
- VHF radio
- Anchor chain counter
- Compass with light
- Companion lounge, L-shaped to port side
- Windscreen, clear tempered glass with x 3 pantograph wipers with washers plumbed from fresh water system
- Directional air conditioning outlets to helm and vent outlets to windscreen to prevent fogging
- Designed in access under the helm, ensuring easy and efficient servicing

### Electronics

- A comprehensive range of factory fitted electronic packages and custom features are available with everything from radar to underwater lights. Your dealer has full details.

## AN EASIER-TO-COMMAND SPORT YACHT

Performance wise, the Riviera 5400 is everything you could want in a sport yacht. A spirited, ultra responsive performer, she has all the panache you could want ... plus something you may not expect.

The Riviera 5400 Sport Yacht is arguably the world's easiest to command, sports inspired luxury yacht. Ever. By embracing and incorporating the latest touch screen technology, Riviera have made skippering the 5400 a relaxed and pleasant surprise, even for novices.

In short, if you can drive a modern luxury car you can skipper this yacht. Easily. So what a thrill you're in for as you slide into the ergonomic, leather helm chair and take hold of the Le Mans'-like steering wheel.

It's all here at your command. Volvo D11 engines powering twin pod drives delivering breathtaking performance. Importantly, you have joystick maneuverability to give you pinpoint-accurate control, even reversing into tight marina berths.

The secret to such easy operation lies in those large display touch screens in front of you: intuitive, simple to read, monitor and operate. At a glance, they inform and guide you through all your vessel controls, engine system monitoring and Glass Cockpit navigational aids. Brilliant!

The helm of the Riviera 5400: A dream come true.

## BLUE SKIES EVEN BELOW DECKS

A little tired after all that cruising, conversing, entertaining, exploring and bonding?

Time then to enter a new dimension of luxury and comfort, the accommodation deck. So take the few companionway steps down from the saloon, pause a moment and look up ...that soaring glass atrium above fills the area with light - and your spirits lift too.

It's a design feature typical of the Riviera team's drive to constantly go beyond ... to create onboard environments that make you feel great to be alive. An experience about to deepen as you continue your retreat below.

## A MASTERFUL DESIGN ACHIEVEMENT

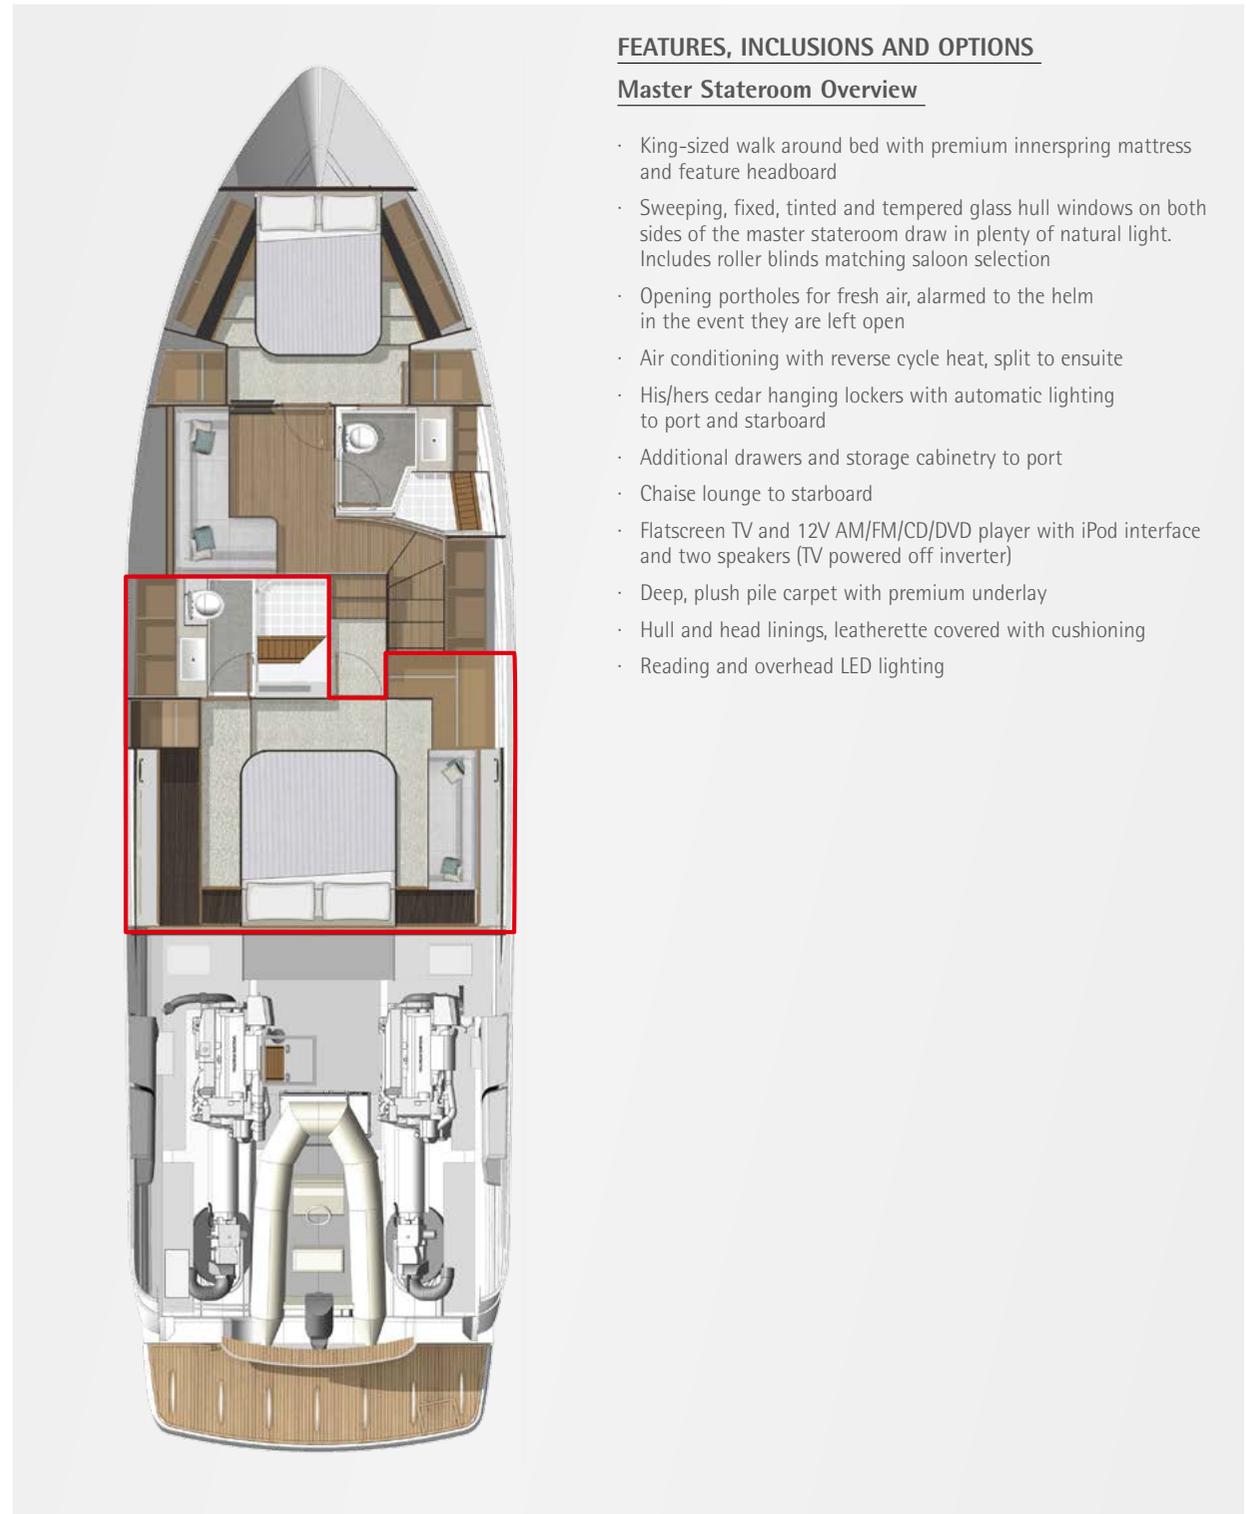

"Accommodating owners in a quality of luxury and comfort never before thought possible in a yacht of this class" - A central tenet of the Riviera design team's vision for the Riviera 5400 Sport Yacht.

Look...at...this. Elegant and regally sized, defying convention by luxuriating right across the full beam. Totally private and self contained, your master stateroom is framed to port and starboard with sweeping hull windows - eyes to an exotic outer world - and opening portholes to fill the stateroom with fresh sea air.

Of course you may prefer cooling and heating courtesy of reverse cycle air conditioning. Go ahead, flick the switch. Waltz around the king sized island bed with matching bedside tables. Can you believe the space here? This is escape on an unprecedented scale. With room for a new level of Riviera luxury.

You'll love the fabulous timber cabinetry. Practical yet beautiful. Feel at home with the deep plush pile carpet. And know you're truly being spoiled when there's even space for a private chaise lounge to starboard. Storage? In abundance, starting with his and hers' cedar lined, hanging lockers, complete with automatic lighting. Entertainment? Settle back and enjoy your world class, fully integrated home theatre system.

In summary, Riviera designers have thought of everything, including framing the view you wake up to tomorrow.

## FEATURES, INCLUSIONS AND OPTIONS

### Master Stateroom Overview

- King-sized walk around bed with premium innerspring mattress and feature headboard
- Sweeping, fixed, tinted and tempered glass hull windows on both sides of the master stateroom draw in plenty of natural light. Includes roller blinds matching saloon selection
- Opening portholes for fresh air, alarmed to the helm in the event they are left open
- Air conditioning with reverse cycle heat, split to ensuite
- His/hers cedar hanging lockers with automatic lighting to port and starboard
- Additional drawers and storage cabinetry to port
- Chaise lounge to starboard
- Flatscreen TV and 12V AM/FM/CD/DVD player with iPod interface and two speakers (TV powered off inverter)
- Deep, plush pile carpet with premium underlay
- Hull and head linings, leatherette covered with cushioning
- Reading and overhead LED lighting

*Please refer to your Riviera dealer for current inclusions and options.*

## **FEATURES, INCLUSIONS AND OPTIONS**

### **Master Ensuite Overview**

- Luxurious design, solid surface bench top with above vanity bowl basin and premium quality mixer tapware
- Overhead and vanity mirror LED lighting
- Storage locker with shelves under the vanity
- High quality, hard wearing synthetic flooring
- Holding tank level indicator
- Round opening porthole with screen, includes alarm to the helm
- Shower stall with glass partition, frameless glass door, automatic sump pump and shower head on slide bar
- Toilet roll holder, towel holder and accessories
- Quiet operation Dometic toilet system with low water consumption, fresh water flush
- Extraction fan

## **THE MASTER ENSUITE TO MATCH**

Designing a fresh new standard of accommodation quality for owners naturally extends to the master ensuite. Luxuriously outfitted and located forward to port, it is all you could wish for... a perfect complement.

Look forward to a frameless glass shower stall (naturally, generous in size), solid surface bench tops, above vanity basin and quality mixer tapware. That attractive porthole feature is not here for show, although it also fulfills that function. Alarmed to the helm in the event of being left open, it can fill your ensuite space with refreshing sea air and sunlight.

That's Riviera attention to detail. And this is a bathroom designed to pamper.

*Please refer to your Riviera dealer for current inclusions and options.*

## A VIP EXPERIENCE FOR YOUR GUESTS

Creating a finer owner experience was a principal aim of our accommodation deck design team's effort. But far from the only one. Like you, we want only the best for your guests. And that's what you can be assured of offering in the forward located VIP stateroom.

Picture similar luxury and comfort as the master - a large walk around, queen sized island bed, reverse cycle heating and cooling and high quality entertainment centre with flatscreen TV, DVD and iPod interface. Treat guests to thick plush pile carpet, sweeping hull windows and a splendid 'just so happy we're here' ambience.

Storage is taken care of, in style. There's the cedar lined hanging locker to port, a cedar lined storage starboard locker with shelves and outboard storage cabinets fitted with positive locking hardware.

As in the master, stateroom guests have private access to a superbly appointed ensuite. Fresh from the pages of Designer International, it cleverly doubles as the day head.

## FEATURES, INCLUSIONS AND OPTIONS

### Forward VIP Stateroom Overview

- Direct access to ensuite, with privacy lock
- Queen sized walk around island bed with premium innerspring mattress, storage including drawers under
- Upholstered headboard feature
- Air conditioning with reverse cycle, which is split into the ensuite
- Entertainment is via a flatscreen TV with DVD entertainment system including iPod interface and two speakers
- Plush pile carpet with premium underlay
- Fixed hull windows fitted port and starboard in tinted, tempered glass including roller blinds matching the saloon selection
- Hanging locker to port with cedar lining and auto lighting and a starboard storage locker cedar lined with shelves
- Storage cabinets outboard with positive locking hardware
- Overhead deck hatch with privacy blind and screen
- Hull and head linings, leatherette covered with padding
- Reading and overhead LED lighting

### VIP Guest Ensuite/Day Head

- Entrance to starboard head from companionway and private ensuite access from forward VIP guest stateroom
- Contemporary design, solid surface bench top with above vanity bowl basin, premium quality mixer tapware and mirror
- Storage locker with drawers under vanity
- Overhead deck hatch blind and screen
- High quality, hard wearing timber pattern flooring
- Overhead and vanity mirror LED lighting
- Shower stall with glass partition, frameless glass door, automatic sump pump, shower head on slide bar and exhaust fan
- Toilet roll holder, towel holder and accessories
- Quiet operation Dometic toilet system with low water consumption, fresh water flush

*Please refer to your Riviera dealer for current inclusions and options.*

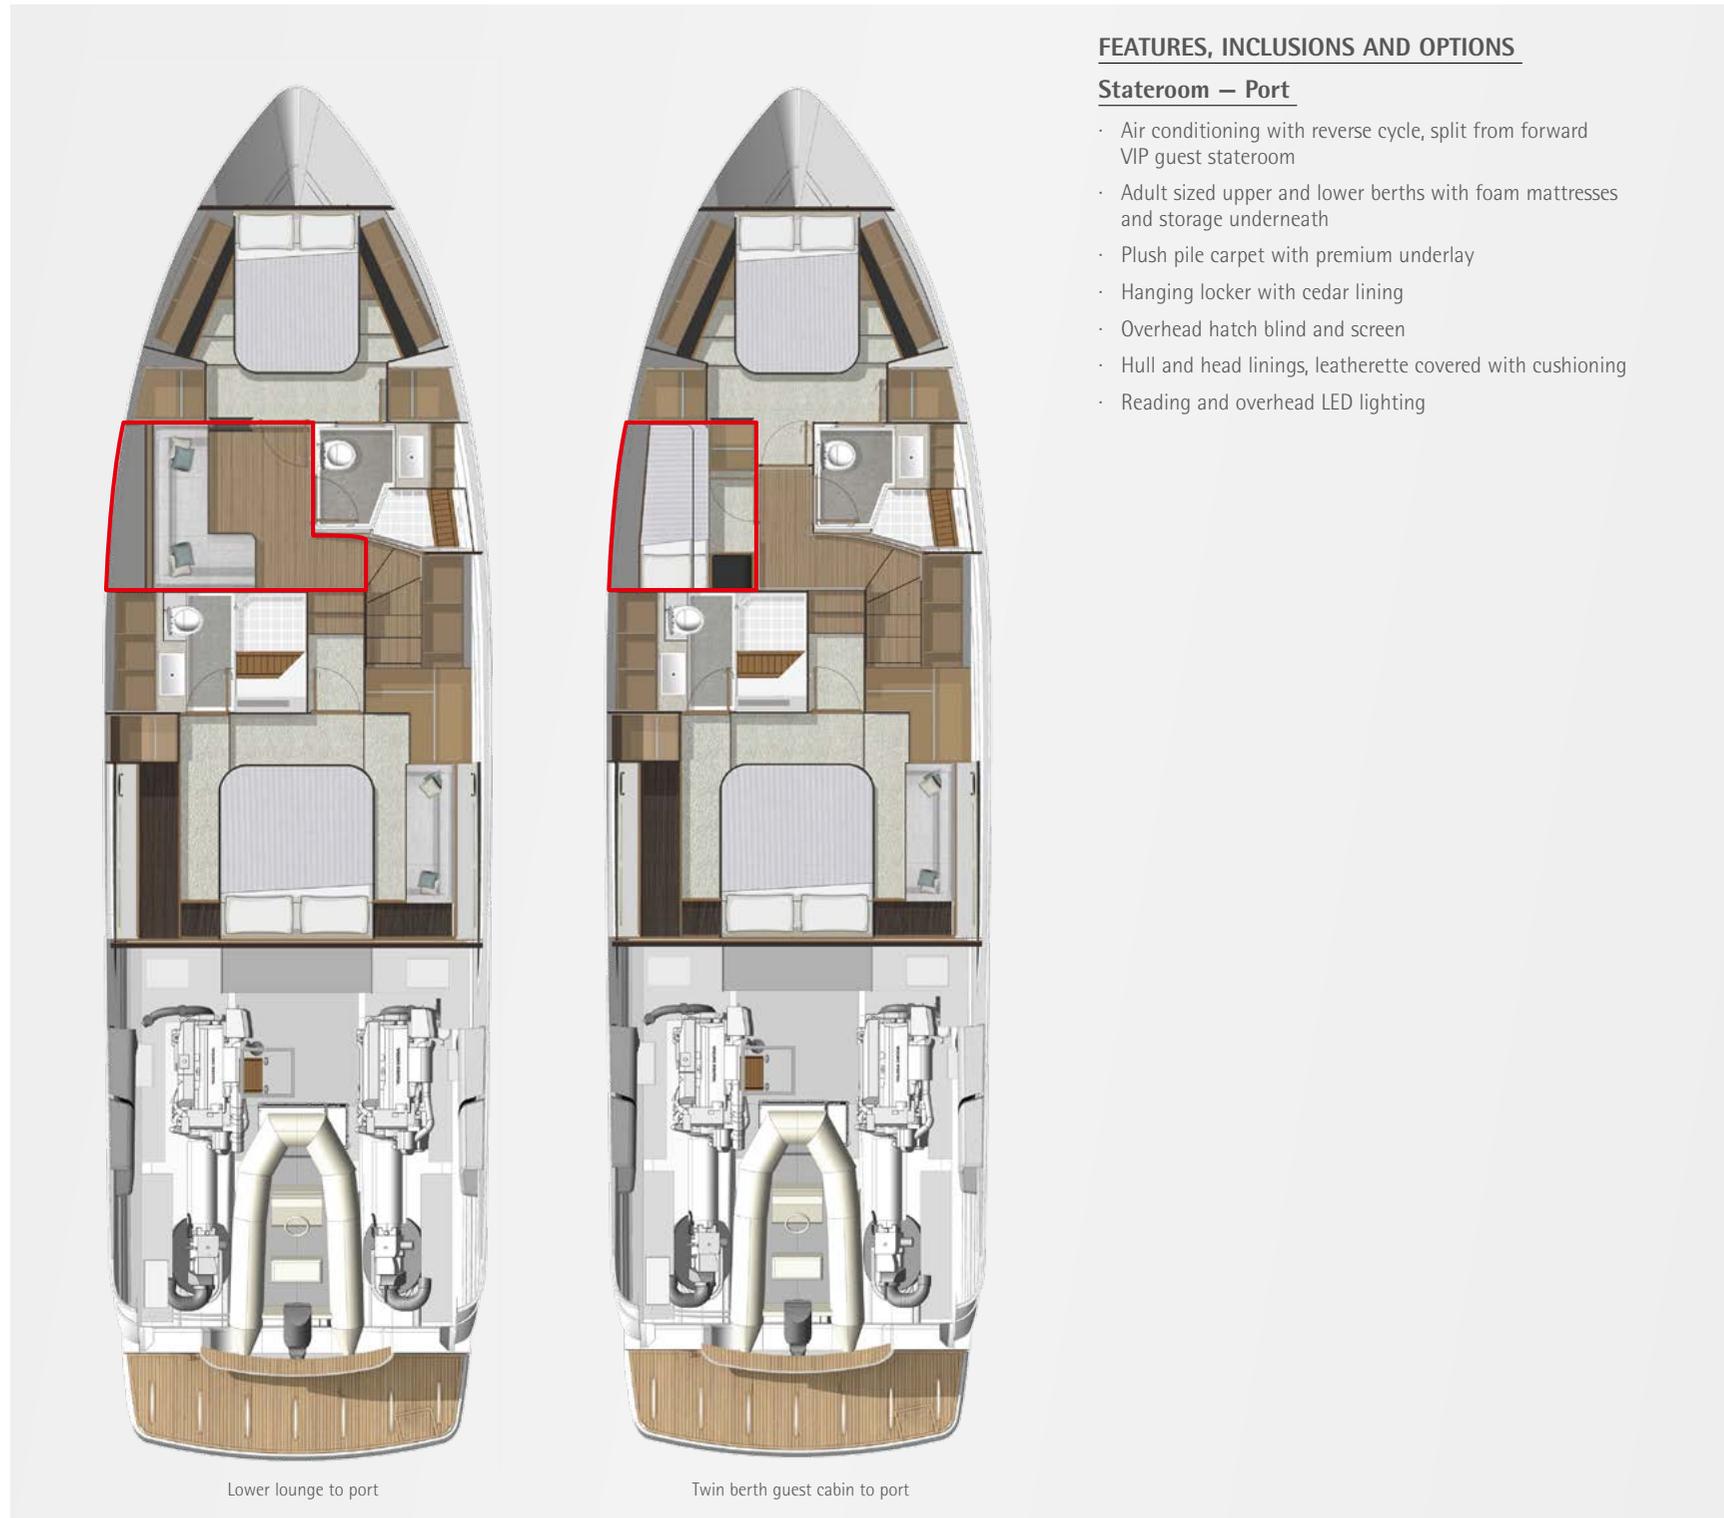

### LOOKING AFTER EVERYONE AND EVERYTHING

Riviera leaves no stone unturned helping make our owners perfect hosts. The stunning 5400 Sport Yacht is no exception. Located to port is the third stateroom, ideal for accommodating guests, children or grandchildren in the comfort for which this vessel is renowned.

After long sensational days on deck, the adult-sized upper and lower berths promise sweet dreams and restorative sleep. Your guests will wake to plush pile carpet at their feet and open a fragrant, cedar lined hanging locker housing that day's clothes. Next stop, breakfast in the cockpit.

No, it's not all a dream. It's simply life (life as it should be) on board your Riviera 5400 Sport Yacht: A dream made real.

**FEATURES, INCLUSIONS AND OPTIONS**

**Stateroom – Port**

- Air conditioning with reverse cycle, split from forward VIP guest stateroom
- Adult sized upper and lower berths with foam mattresses and storage underneath
- Plush pile carpet with premium underlay
- Hanging locker with cedar lining
- Overhead hatch blind and screen
- Hull and head linings, leatherette covered with cushioning
- Reading and overhead LED lighting

Lower lounge to port

Twin berth guest cabin to port

*Please refer to your Riviera dealer for current inclusions and options.*

## THE POWER AND TECHNOLOGY ARE YOURS

---

Riviera is at the forefront of a marine propulsion revolution, having now launched hundreds of pod-driven luxury motor yachts.

Pods are used on such worldly form vessels as the Queen Mary II cruise ship as well as large-scale commercial craft. This proven technology is now revolutionising pleasure yachts.

Pod drives offer an excellent power-to-weight ratio delivering improved performance, enhanced torque, exceptional fuel efficiency, simple maneuverability, reduced environmental impact and quiet operation thanks to under-water exhausts.

In simplified terms, Volvo Penta's innovative Inboard Propulsion System (IPS) features twin pod-drive units, each of which is capable of turning independently to provide the correct thrust to move the yacht in the exact direction required by the skipper easily controlling the system with either a steering wheel and throttles or a joystick.

The 5400 has a joystick at the helm and an additional joystick as standard in her cockpit which can be located on either the port or starboard sides.

IPS also offers a Dynamic Positioning System (DPS) for station-holding while preparing lines and fenders or while waiting off a fuel jetty, the convenience of Auto Pilot, manual trimming with optional auto-trim, as well as a highly-efficient Anti-Corrosion Protection (ACP) unit mounted to the transom to reduce the maintenance of sacrificial anodes.

The three-blade nibral, forward-facing, counter-rotating propellers are protected by the premium anti-foul coating Prospeed to achieve a long service life, as well as 316 marine-grade stainless steel line-cutters from Volvo Penta, located between the propellers

for protection from, fishing lines, plastic bags or nets. These precision-made line-cutters create a very efficient rotating cutting action to protect the propellers and shaft sealing without increasing drag or fuel burn.

The 5400 Sport Yacht employs the revolutionary Volvo Penta D11-IPS800 propulsion system with twin D11 engines and IPS20 pod-drives (2x) 460kW/626hp) as the standard package. This is a perfectly matched drive package for the 5400 and the system's Class 4 commercial rating assures reliability and durability.

Additionally, the IPS2 package is fully certified under the Det Norske Veritas and Germanischer Lloyd (DNV GL) classification system.

Owners are also able to select the optional D11-IPS950 system with twin D11 engines and IPS20 pod-drive units (2 x 533kW/725hp).

## WINDOW TO THE FUTURE

---

To give you total command of the 5400 Sport Yacht, Volvo Penta's state-of-the-art Glass Cockpit navigation and monitoring system blends new technology with dependability and practical functionality.

The Glass Cockpit system provides a very clean, easy-to-use system with enhanced overview and control of both engines and navigation, including GPS, sounder and radar, even auto-pilot and optional charts ... all in one place and in the one system.

Integrated with the IPS Electronic Vessel Control (EVC) system, the Glass Cockpit gathers all driver information and displays it in one location. The easy-to-handle, pinch-to-zoom displays give you instant data and control. The ergonomic design and interface for the dashboard offers push-buttons on the controls and touch-buttons on the screens.

Just one clever feature of the Glass Cockpit is the unique Auto Guidance feature that – based on the yacht's draft and your desired safety distance to obstacles – searches through all relevant charts to create a safe route you can follow – and avoid shallow water, buoys and other known obstacles. Coupled with the Auto Pilot, it not only shows the way, it can take you there.

The Glass Cockpit also enables the option of full joystick steering whilst underway.

## THE RIVIERA ADVANTAGE

---

Riviera is continuing to lead the luxury motor yacht market and proudly stands behind the easy-to-use systems onboard its world-class designs.

A 5-year limited warranty on all Volvo Penta systems is now standard with every new Riviera and covers Volvo Penta helm stations, steering and propellers as well as major componentry of their high performance drivelines and fuel-efficient engines.

Available worldwide, this extended warranty complements the Riviera 5-year limited structural warranty and will provide even greater peace of mind for our valued Riviera boating family members.

Riviera Family members enjoy exclusive invitations to fun-filled social and boating education events, inspiring cruising experiences as well as special offers on genuine parts, electronics and our premium Riviera lifestyle collection.

## CZONE SIMPLICITY

---

The fully integrated CZone digital switching system enhances the ease of monitoring and operation of the Riviera 5400's onboard systems including tanks, and extends centralised, touch-screen control to lighting, pumps, batteries, entertainment and appliances.

CZone allows owners to operate multiple circuits at a single touch, energising all lighting and electrics depending on your requirements. It comes pre-programmed with three modes – "entertaining", "cruising" and "dock unattended" – and these modes can be customised by the owner so the system works exactly how you want.

Other user-friendly features include interior light-dimming, timer controls, automated circuit control, wiper speed and wash functions. There's also a "service" mode that shuts down all power and systems.

Based on industry-proven Controller Area Network (CAN) technology, the CZone system offers DC and AC switching and over-current protection. Full systems monitoring (with alarms) including AC voltage, current, frequency and kilowatts, DC voltage, current and remaining battery capacity, along with fluid tank levels and indication for systems in operation, is clearly displayed on the 5-inch touchscreen at the helm and 8.5-inch colour control screen at the saloon entrance.

There's also the option of additional iPad connectivity, so you can control CZone from anywhere onboard your yacht.

## IMPECCABLE PEDIGREE

---

The confident poise of the 5400 Sport Yacht is just as evident offshore as it is at anchor – her solid and robust hull with keel is the evolution of our rich 36-year heritage of building over 5200 world-class luxury motor yachts that are proven in the often challenging Australian offshore conditions.

Every Riviera built at our world-class facility on Australia's Gold Coast combines superior-strength hand lay-ups with a water-tight collision bulkhead forward and independent compartments throughout the hull.

Our legendary build quality also features vinylester resin in the outer layer of lamination to increase the ability to withstand water absorption. An isophthalic gelcoat exterior provides an impeccable and hard-wearing surface finish.

From the waterline down, the hull is solid GRP with reinforced bottom, keel and chines. Structural core material is used in the hull flanks, main deck and hardtop, while precisely fitted, lightweight resin transfer-moulded small parts have a double-sided gelcoat finish and are pre-fitted for a perfect seal when all major components are bonded together.

Riviera only uses 316 marine grade stainless steel in all our exterior fastenings. All stainless steel rails feature ground and polished welds to ensure a consistently smooth and mirror finish.

Our designers have also placed a firm focus on convenient access to every key maintenance point so any issues can be quickly identified and addressed, and service costs are kept to a minimum.

## ELECTRICAL EXCELLENCE

All batteries onboard the 5400 Sport Yacht are maintenance-free to ensure carefree boating and are housed in special battery boxes in accordance with American Boating and Yacht Council (ABYC) and the European Union's CE industry standards.

The house power is 24-volt, which allows for simpler charging, lower current draw and smaller cables (further reduced weight) than equivalent 12-volt systems. The Mastervolt inverter provides power to the icemaker, entertainment systems and all outlets onboard, ensuring watching television while relaxing quietly at anchor is whisper-quiet.

LED lighting is utilised throughout and provides trouble-free boating while reducing electrical current draw. The lamps use less than 10 per cent of the power required to run a halogen lamp – no bulbs mean no maintenance and long service life. Additionally, Residual Current Device/Ground Fault Circuit Interrupter (RCD/GFCI) provides protection over the entire yacht and also complies with ABYC and CE standards.

## FEATURES, INCLUSIONS AND OPTIONS

### Electrical Overview

- Alternators – independent start bank and independent house bank (total x4) ensure charging systems are optimised whilst underway
- Alternators – port alternator charges port start bank. Starboard alternator charges starboard start bank and designated alternator for house bank and auxiliary
- Batteries (maintenance-free) – independent port and starboard start (total 4), house (2x) and auxiliary (2x)
- Battery banks individually isolated at the main battery panel in the cockpit
- Battery charger (24V/100A) for house bank
- Battery charger (24V/30A) for start banks and auxiliary
- Battery paralleling system provides increased reliability in the event that you are faced with a flat start battery bank
- Digital DC circuit control and protection incorporating 'intelligent' operation with user-programmable usage modes, timer circuits, light dimming and circuit bypass, operational via conventional switches, signal set points as well as LED display modules
- Digital monitoring system including AC and DC power metering, fluid tank level monitoring and DC circuit status via colour 8.4" LED touchscreen display at saloon entry and 3.5" LED display to helm
- Engine room features LED lighting
- Generator – Onan EQD 13.5 kw/50Hz (17 kw/60Hz) with muffler, fresh water-cooled and including a sound shield, remote stop/start function, state-of-the-art diagnostics and hour meter
- Inverter – 2.5kW AC-DC to operate entertainment, 1 x galley GPO and ice-maker in the absence of a generator or shore power
- Navigation lights (international standard)
- Wiring coded, numbered and assembled in looms where possible to ensure trouble-free maintenance and repairs

## ENGINEERING EXCELLENCE

The flow-coated engine room – with acoustic and thermal insulation and LED lighting – highlights the careful consideration for which Riviera is renowned globally in terms of its engineering.

The impressive commercial air intake system helps to keep the engine room temperature well below the engine manufacturer's formal recommendation, reducing fuel consumption even further, while the air-conditioning units are mounted high so gravity feeds condensation water into the common drain lines located on either side of the yacht and which drain aft and overboard.

All onboard drains also feed into these common drain lines while the advanced mist elimination system with veins draws moisture from the air and feeds directly overboard. Five automatic bilge pumps with manual override are located at various points throughout the hull and also pump directly overboard.

There's even a dedicated space for a gyroscopic stabiliser on the centreline of the yacht under the garage – yet another example of how Riviera is embracing all innovations that make boating more enjoyable.

*Please refer to your Riviera dealer for current inclusions and options.*

## FEATURES, INCLUSIONS AND OPTIONS

### Engineering Overview

- All through-hull fittings on or below the water line are fitted with ball valves, all hoses are double-clamped
- All metallic hull fittings below the waterline are bonded to zinc anodes, including galvanic isolators
- Bilge pumps, auto and manual override (5x)
- Engine hatches are insulated and removable
- Engine mounts protect against vibration
- External and internal seawater strainers for the main water intakes – engines, generator and air-conditioning
- Integrated fire suppression system for the engine room with automatic/manual controls
- Fresh water heater (AC)
- Fresh water pump, secondary back-up pump (switched independently)
- Fresh water system with tap and hose, pressurised, single 800-litre (211 US gallons) tank with gauge in CZone
- Fuel lines all swaged
- Fuel shut-off valves
- Fuel tank positioned centrally to ensure optimal balance. Fire-retardant GRP, 3000 litres (792 US gallons) with gauge at helm and visual site gauge on tank
- Holding tank capacity 400 litres (792 gallons)
- Sanitation system with overboard pump-out switch and deck fitting for dock-side pump-out
- Venting dorade system for engine and air intakes and fans (DC)

## THE RIVIERA WARRANTY

### Limited Express Warranty

Riviera Australia Pty Ltd. A.C.N. 139 663 906 (Riviera) makes this Limited Express Warranty (Warranty) to the original retail purchaser of a vessel manufactured by Riviera, provided the vessel is purchased from an authorised Riviera dealer and said first retail purchaser registers this Warranty with Riviera within 30 days of the purchase. This Warranty is the only warranty provided by Riviera, express or implied, with respect to any vessel manufactured by Riviera.

Five Year Limited Structural Warranty:

Riviera warrants to the first retail purchaser that for five (5) years after the date of delivery to the first retail purchaser, and for the period before it is delivered to the first retail purchaser, that the hull, deck, flybridge and hardtop shall be free from structural defects due to material or workmanship, under normal non-commercial use, that result in any delamination or separation of the stringers or composite structure.

A structural defect includes the following:

- structural failure of the fibreglass hull, deck, flybridge and hardtop
- structural failure of any parts glassed onto the above components, or
- structural failure of the joints between any of the above components.

The structural warranty does not apply to the following:

- A water leak through the joints between the hull, deck, flybridge and hardtop
- Fibreglass small parts failures
- Parts that are not manufactured by Riviera;
- Interior failures, window or hatch failures
- Damage resulting from misuse, abuse, negligence, improper docking, alteration, vandalism, accident or lack of performance of normal maintenance
- Any charges incurred by any vessel returned to the factory, dealer or authorised agent for inspection prior to authorisation of warranty repairs
- The cost of removal or reinstatement of a part, or disassembly or reassembly of the unit of which it is a component
- Heat and/or sun damage to the hull and/or gelcoat on hulls that are painted a dark colour
- Owners other than the first retail purchaser, or in relation to the hull only, subsequent owners to whom the structural warranty of the Hull has been validly transferred in accordance with this Warranty
- Any vessels sold to the first retail purchaser by anyone other than a Riviera dealer listed on [www.riviera.com.au](http://www.riviera.com.au) on the date of the purchase (Authorised Riviera Dealer), or
- Any item which Riviera has not been notified of within thirty (30) days of the issue becoming apparent.

The above list is not intended to be exhaustive and Riviera may, at its absolute discretion, elect to refuse any warranty claim whatsoever.

Vessels that go into a syndication or shared ownership program are entitled to the standard five-year structural warranty, subject to fair wear and tear on the vessel.

### Transfer of Structural Warranty

In reference to the structural warranty of the hull ONLY, Riviera may agree in its sole and absolute discretion, to transfer the hull warranty to a subsequent owner of a vessel, who purchases the vessel from an Authorised Riviera Dealer, upon application and payment of a \$1000 Australian dollar transfer fee. Such transfer will only be effective upon confirmation in writing from Riviera. Where Riviera does approve the transfer of the remaining term of the hull warranty to a subsequent owner in writing, then such hull warranty will be transferred for a period of not more than a total period of five (5) years from the date an Authorised Riviera Dealer first delivered the vessel to the first retail purchaser.

Please refer to your Riviera and Belize dealer for specific warranty cover.

## ELECTRONICS AND SYSTEMS

Electronics play an ever-increasing role in maximising the pleasure and safety of luxury motor yachts, and the choice of equipment that is available today is vast.

Selecting the equipment that meets your needs can be a very challenging task – and Riviera's electronics experts are here to assist.

We source the best systems from around the world, we help match technology to individual requirements and work closely with Riviera's international dealer network to create systems that maximise your boating pleasure.

## RIVIERA GENUINE PARTS AND ACCESSORIES

Our passion for quality and practical design is reflected in our exclusive and growing range of clothing, accessories and décor items created to enhance your time afloat.

If you love your Riviera, you'll feel right at home with the Riviera Collection – an extensive range of casual, stylish, comfortable, practical equipment, clothing and accessories.

The Accessory and Décor collection ranges from storm jackets to stylish crockery.

To make your Riviera truly your own, we offer a wide range of fabrics, finishes and colour schemes that enable you to customise your yacht.

Of course our experienced design team is always available to advise and assist you with your individual selection.

## THE RIVIERA EXPERIENCE

There's nothing quite like the exhilaration of blue-water cruising in company to remind our valued owners why they are so passionate about the rich and rewarding Riviera luxury life afloat.

For these are the types of passages that build the confidence and skills for people to use their yachts to their full potential, that create the very special memories that last a lifetime, and, importantly, are often the catalyst for long-lasting friendships.

Together, members of our growing global family of Riviera and Belize owners enjoy many special cruising experiences to idyllic destinations around the world – safe in the knowledge that experienced skippers and engineers are always close at hand.

Our global cruising events calendar takes in all states of Australia, New Zealand, the east and west coasts of the United States, the Bahamas, Asia, Europe and the Middle East.

We invite you to join with us for these special experiences – either to stretch your sea legs and gain offshore cruising confidence, or to simply enjoy the company of like-minded people who share an appreciation for the truly unique Riviera life.

## 5400 SPORT YACHT SPECIFICATIONS

Length Overall <i>(inc. swim platform and bow sprit)</i>	17.46 m	57' 3"
Hull Length (Lh to ISO8666) *	15.93 m	52' 3"
Beam <i>(inc. gunwale)</i>	4.88 m	16'
Maximum Draft <i>(inc. props)</i>	1.28 m	4' 2"
Dry Weight <i>(approx.)</i> **	24,752 kg	54,600 lb
Fuel Capacity ***	3,200 L	845 US gal
Water Capacity ***	800 L	211 US gal
Holding Tank Capacity ***	400 L	106 US gal
Sleeping Capacity	6 persons	
Cockpit Area	9.87 m <sup>2</sup>	106.2 ft <sup>2</sup>
Bridge Clearance	4.07 m	13' 4"
Standard Engines		
Volvo Penta D11-IPS950 x 2	533 kW	725 hp each

\*Specifications may vary on a regional basis.

## SPECIFICATION CLARIFICATION

\* Length of the hull (Lh) to ISO8666: Includes all structural and integral parts (ie. the moulded length of the hull). It excludes parts that can be removed in a non-destructive manner without affecting the structural integrity of the craft, (eg. pulpits, outdrives, driving platforms, rubbing strakes).

\*\* Dry weight represents the estimated minimum weight of a yacht with standard engines and options, no fuel or water on board, no equipment or provisions and no personnel. The stated dry weight may be exceeded.

\*\*\* Denotes net tank capacity. For useable capacity do not rely on more than 90% of tank capacity. Actual capacity will vary according to yacht trim and sea state. Speeds are subject to normal weather conditions, fuel and/or water levels, passengers and equipment loads.

### **OUR CARE FOR YOUR INFORMATION**

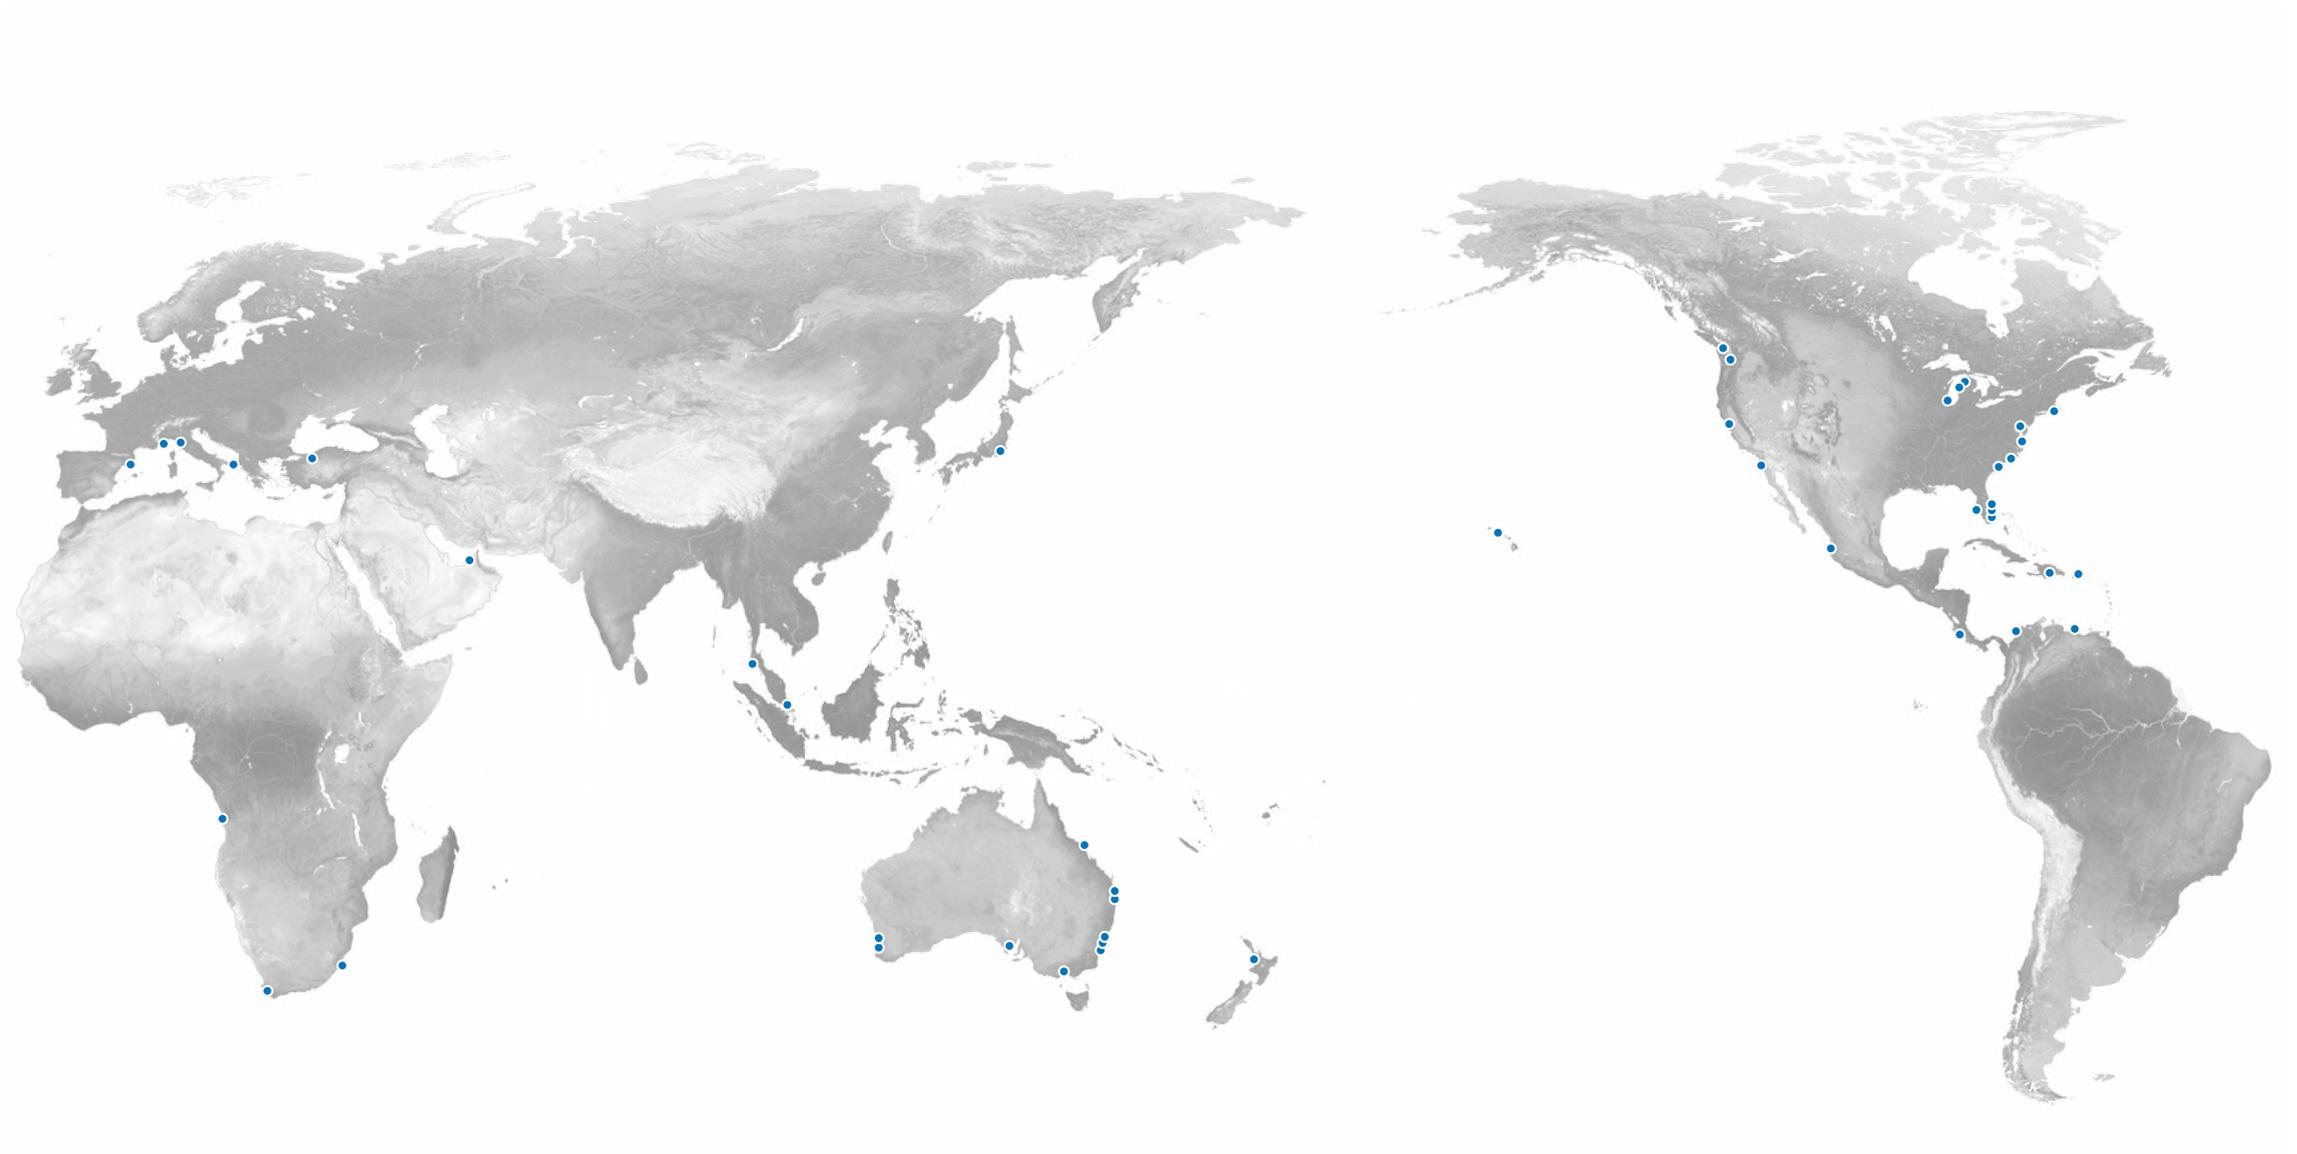

Due to the constant refinement of specifications and design by Riviera Australia, the information in this document unfortunately may not be current.

Specifications may vary with time and by region.

Some images in this brochure may include non-standard or after-market options.

Please note that as safety equipment specifications or standards vary by country, this aspect of your purchase will need to be completed by yourself and or your dealer.

Please refer to your Riviera dealer for the latest detailed list of inclusions and options prior to purchase.
