

1850 Fisher

Adventure with Confidence

When a little more is needed the 1850 Fisher is the answer. Based off our successful 1650 Fisher with added length the 1850 Fisher gives the avid fisherman and family more room to enjoy the water. Like the 1650 Fisher, the 1850 Fisher features our innovative Game Chaser Transom, Arrow Pontoons rear fold up seats, heavy duty bait station plus as standard, an all alloy rocket launcher and under floor fuel tank. Suited to inshore and fair weather offshore fishing, the stepped pontoon design and full length hull make for economical planing. Coupled with the standard 120L under floor fuel tank, long days trawling for your favourite game or towing skiers awaits.

Specifications

Length Feet (Metres)	17.8' (5.4m)
