

## STABICRAFT 2400 Supercab

With the space and options to make overnighting easy and standard fishing focussed features, the 2400 Supercab takes the fight to the fish or while giving the freedom to explore your favourite inlet and islands. A 300L fuel tank and an efficient, predictable hull mean longer journeys and further destinations are in reach. With smart live bait and seating arrangements, the ability to keep your lines in the water and work fish are improved. The industry leader since 1987 and exporting globally, you know you can trust reputation of strength, reliability, innovation and safety Stabicraft carries. Standard with our heralded Game Chaser Transom and Arrow Pontoons, the 2400 Supercab cuts through water without compromising on the safety and confidence found in all Stabicraft models.
